

Peer to Peer Workshop #1: ArcGIS 101

In partnership with
the Student
Teaching Excellence
Committee

EV2 1014 Magellan Lab
Wednesday, October 19, 2016
2:00 - 4:00 PM

Join your fellow students in the first peer-to-peer workshop on ArcGIS! The workshop will focus on basic skills and getting participants familiar with the software and its many applications. Refreshments will be provided.

All graduate students in the Faculty of Environment are welcome.
